March 2024

VITA

AHARON KELLERMAN

CONTACTS

8 Jerusalem St., Apt. 21
Givat Shmuel 5442802, Israel
Telefax +972-74-739-9256
E-mail: akeller@univ.haifa.ac.il
Mobile: + 972-54-206-5300

PERSONAL DATA

Birth date and place: August 25, 1945; Haifa, Israel.
Marital status: Married, three children.
Citizenships: Israeli and German.

EDUCATION

B.A.: Geography (with honors), Jewish History, University of Haifa, Israel, 1969.
High School Teaching Certificate, University of Haifa, Israel, 1971.

M.A.: Geography (with honors), Hebrew University, Israel, 1972.
Thesis: "The Spatial Aspects of the Inter-Village Centers of Israel".

Ph.D.: Geography, Boston University, 1976.
Dissertation: "Rural Land-Uses and the Urban System: Interrelationships at the Macro and Meso Levels".

PROFESSIONAL EXPERIENCE

2007-2014, 2019-2024 President, Zefat Academic College

2005-2007 Director of College Development and President Designate, Academic College for Israel

2004-   Professor Emeritus, University of Haifa

2004   Visiting Fellow, Oxford Internet Institute, University of Oxford, UK.

1995-2004   Vice-President for Administration, University of Haifa.

1993-2004   Professor, University of Haifa.

1994-1995   Professor, Bar-Ilan University (part-time).

1987-1993   Associate Professor, University of Haifa.

1987-1994   Associate Professor, Bar-Ilan University (part-time).

1986-1988   Chair, Department of Geography, University of Haifa.

1981-1987   Senior Lecturer, University of Haifa.

1982-1987   Senior Lecturer, Bar Ilan University (part-time).

1982-1983, 1989-1990, Summers 1984, 1985, 1987, 1991
              Visiting Lecturer and Research Associate, University of Maryland, College
              Park, MD.

1985   Visiting Senior Lecturer, Ben-Gurion University, Israel (part-time).

1977-1981   Lecturer, University of Haifa.

1977-1982   Lecturer, Bar-Ilan University (part-time).

1976-1977   Visiting Assistant Professor, University of Miami, FL.

1976   Research Associate, Boston University, MA.

1975   Instructor, Boston University, MA.

1972-1973   Teaching Assistant, University of Haifa.

1969-1972   Teaching Fellow, University of Haifa.

1966-1972   High school teacher.

PUBLICATIONS IN GEOGRAPHY

Books:

Kellerman, A. *Time, Space and Society: Geographical-Societal Perspectives*. Dordrecht:
Kluwer (D. Reidel; Springer), 1989. Hardcover and e-book.

Kellerman, A. *Society and Settlement: Jewish Land of Israel in the Twentieth Century*.
Albany, NY: State University of New York Press, 1993. Hardcover and paperback. E-book,
2000. Outstanding Title, Choice Magazine 1993.

Kellerman, A. *Telecommunications and Geography*. London: Belhaven Pinter; New York:

Halsted (John Wiley), 1993. Hardcover.

Kellerman, A. *The Internet on Earth: A Geography of Information*. London and New York: John Wiley, 2002. Hardcover and e-book. Awarded the 2002 AAG Meridian Award for Outstanding Scholarly Work in Geography.

Kellerman, A. *Personal Mobilities*. London and New York: Routledge, 2006. Hardcover and e-book. Paperback, 2012.

Kellerman, A. *Daily Spatial Mobilities: Physical and Virtual.* Farnham, UK and Burlington, VT: Ashgate, 2012. Hardcover, paperback, and e-book. Republished: Abingdon, UK and New York, NY: Routledge, 2016.

Kellerman, A. *Global Information Society: Knowledge, Mobility and Technology*. Lanham, MD: Rowman and Littlefield, 2013 (with Mark Wilson and Kenneth E. Corey). Hardcover, paperback, and e-book.

Kellerman, A. *The Internet as Second Action Space*. London and New York: Routledge, 2014. Hardcover, paperback, and e-book.

Kellerman, A. *Geographic Interpretations of the Internet*. Dordrecht: Springer, 2016. Hardcover and e-book.

Kellerman, A. *Automated and Autonomous Spatial Mobilities*. Cheltenham UK and Northampton MA, US: Edward Elgar, 2018. Hardcover and e-book.

Kellerman, A. *The Internet City: People, Companies, Systems and Vehicles*. Cheltenham UK and Northampton MA, US: Edward Elgar, 2019. Hardcover and e-book.

Kellerman, A. *Globalization and Spatial Mobilities*: *Commodities and People, Capital, Information and Technology*. Cheltenham UK and Northampton MA, US: Edward Elgar, 2020. Hardcover and e-book.

Kellerman, A. *Understanding Personal Mobilities*. Cheltenham UK and Northampton MA, US: Edward Elgar, 2023. Hardcover and e-book.

Monographs:

Kellerman, A. *Centrographic Measures in Geography*. Concepts and Techniques in Modern Geography (CATMOG) 32. Norwich: Geoabstracts, 1981.

Kellerman, A. *Agricultural Location Theory: A Review and Bibliography of Theory and Applications*. Discussion Paper Series 129. Amherst, MA: Regional Science Research Institute, 1983.

Kellerman, A. *Chapters in Statistics for Spatial Data: Descriptive Statistics, Probability and Analysis of Variance.* Monogeography 3. Haifa: Department of Geography, University of Haifa, 1986 (Hebrew).

Kellerman, A. *'To Become a Free Nation in Our Land': Transitions in the Priorities of Zionist Objectives and their Geographical Implementation.* Monogeography 5. Haifa: Department of   Geography, University of Haifa, 1987 (Hebrew).

Kellerman, A. *U.S. International Telecommunications 1961-1989: Temporal and Spatial Aspects by Various Modes of Measurement.* International Center for Telecommunications Management (ICTM) Research Paper 8. Omaha: University of Nebraska, 1992.

<u>Articles</u>:

Kellerman, A. Application of economic location theories in locational considerations of cooperative service centers for Kibbutzim. *Environmental Planning* 16, 1971: 12-20 (Hebrew).

Kellerman, A. La participation des villages aux centres inter-ruraux en Israel. *Communautes* 34, 1973: 82-93 (French).

Kellerman, A. Spatial aspects of the inter-rural centers of Israel. *Journal of Rural Cooperation* 4, 1976: 51-71.

Kellerman, A. Types of services and industries in the Israeli inter-rural centers. *Review of Public and Co-operative Economy in Israel* 3, 1976: 37-53.

Kellerman, A. Variations of Von Thunen's agricultural location theories. *Transactions of the Miami Geographical Society* 1, 1977 (Discussion Paper).

Kellerman, A. The pertinence of the macro-Thunian analysis. *Economic Geography* 53, 1977: 255-264. **Q1** IF=11.77.

Kellerman, A. Determinants of rent from agricultural land around metropolitan areas. *Geographical Analysis* 10, 1978: 1-12. **Q1** IF=4.27

Kellerman, A. Trends in the spatial allocation of employment in metropolitan Tel-Aviv. *Economics Quarterly* 101-2, 1979: 311-322. (Hebrew).

Kellerman, A. The spatial allocation of retail trade in metropolitan Tel-Aviv. *Land* 18, 1980:16-31 (Hebrew with a detailed English abstract, pp. 48-50).

Kellerman, A. Metropolitan processes in greater Tel-Aviv in light of the Western experience. *Geographical Research Forum* 2, 1980: 47-54. **Q3** IF=0.63.

Kellerman, A. The calculation and mapping of trend-surface analysis for nationwide county-based data. *Harvard Library of Computer Graphics* 11, 1980: 111-119.

Kellerman, A. Time-space approaches and regional study. *Tijdschrift voor Economische en Sociale Geografie* 72, 1981: 17-27. **Q1** IF=2.15

AWARDS AND GRANTS

Bank Leumi, Israel: Award for excellence in B.A. studies, 1968.

University of Haifa: Awards for excellence in M.A. studies, 1969-1970 (twice).

Hebrew University: Awards for excellence in M.A. studies, 1969-1970 (twice).

University of Haifa: Research budget for M.A. thesis, 1971-1972.

University of Haifa: Scholarships for doctoral studies, 1973-1976 (three times).

Memorial Foundation for Jewish Culture, New York, NY: Scholarships for doctoral studies, 1974-1975 (twice).

Hecht Foundation, University of Haifa: "Land, People and Lifestyle: An Assessment of Changing Priorities in Zionist Goals", 1984.

University of Haifa, Students Union, Excellence in Teaching, 1987.

Bezek (Israel Telecommunications Co.): "Israeli International Telecommunications: Changing Factors1950/51-1985/86", 1989-1990.

American Research Fellowship Program (CIES, Fulbright): "U.S. International Telecommunications 1961-1989: An International Movement Model", Summer 1991.

Moshkovitz Foundation, Bar-Ilan University: "Society and Settlement: Jewish Land of Israel in the Twentieth Century", 1991.

Bezek (Israel Telecommunications Co.): "Telecommunications and Geography", 1992-93.

Moshkovitz Foundation, Bar-Ilan University: "Settlement Myths and Settlement Activity in the Zionist Settlement Enterprise", 1994.

Jewish National Foundation, The Ben-Shemesh Award: "Land Settled and Society Formed", 1994.

National Science Foundation (NSF) (through New York University): "The production of Internet Information"; and "The Global Becomes Local Becomes Global", 1999.

Burda Center, Ben-Gurion University: "The Geography of Information", 2001.

Association of American Geographers (AAG): "The Internet on Earth: A Geography of Information", Meridian Award for Outstanding Scholarly Work in Geography, 2002.

Burda Center, Ben-Gurion University: "Personal Mobilities", 2005.

Rejected but ranked highly

'Information society in peripheral regions of developed Mediterranean countries: Regional development and policy', *EU-FP7-2007*. Coordinator and PI, with partners from Italy, France, Greece, and Spain (favorably evaluated by experts, declined for budge limits).

PROFESSIONAL AND ACADEMIC ORGANIZATIONS

Council of Higher Education, Israel

Member 2016-
Member, Committee for Social Sciences
Member, Committee for Academic Quality
Member, Committee for Enforcement
Member, Committee for Pre-academic studies

Academia Europaea

Member 2011-

International Year of Global Understanding (IYGU)

Member, Outreach Team, 2913-

International Social Science Council (ISSC)

Member, Program Committee, World Social Science Forum (WSSF) "Social transformation and the Digital Age", Montreal, October 13-15, 2013.

International Geographical Union

Chair, Steering Committee for Tel Aviv Regional Conference 2006-2008.
Member, Steering Committee for Tel Aviv Regional Conference 2006-2008.

Vice-President 2008-2014.

Commission on Geography of Telecommunications and Communication

Full Member 1987-2000.
Vice-Chair, 1995-2000.
Coordination of Theme 3: The New Differentiation of Space by
    Telecommunications Networks, 1992.
Co-organizer, Jerusalem and Haifa Meeting, 1995.

Commission on the Geography of Information Society

Founder and Chair, 2000-2008
Honorary Chair, 2008-
Executive Committee member, 2016

Mediterranean Renaissance Program (MRP/COMB)

Member, Steering Committee 2005-2012
Member, Honorary Board 2016-

Cultures and Civilizations for Human Development Project (CCHD)

Member, Steering Committee and Management team 2005-2007

Israeli Geographical Society

Secretary, Northern District 1972-73.
Member, National Council 1978-80, 1983-88.
Chair, Urban Geography Specialty Group, 1986-89.
Vice-President, 1990-92.
President, 1992-95.

The Israel Academy of Sciences

Member, Israeli National Commission for the IGU, 1978-80, 1986-2004.
Chair, The Israeli National Committee for Geography, 2005-2008

Association of American Geographers

Organizer of Special Session, "The Geography of Israel towards the End of the
Century, Annual Meeting, 1989.
